

Wyo-Ben Mud School

September 9-13, 2024

Wyo-Ben Corporate Offices - Billings, MT

1345 Discovery Drive, Billings, MT 59102 / 406-652-6351 / email@wyoben.com

The MUD SCHOOL objective is to address the basics of Drilling Fluid technology. Participants will understand how drilling mud can contribute to a smooth drilling operation, whether drilling vertically or horizontally. Clay chemistry, fluid dynamics, polymer usage, as well as grouting and hole abandonment will be discussed.

Wyo-Ben Mud School

Location: Wyo-Ben - Billings, MT
