

Town of Greybull...

HUB OF THE BIG HORN BASIN

March 9, 2026

PROCLAMATION

WHEREAS, the Council of the Town of Greybull recognizes Wyo-Ben Inc. as a market leader in premium Wyoming Bentonite Clay products with a manufacturing facility in Greybull;

WHEREAS, the Council of the Town of Greybull recognizes that Wyo-Ben, a family-owned business established in 1951, proudly celebrates its 75th anniversary in 2026, marking three-quarters of a century of innovation, integrity, and industry leadership;

WHEREAS, the Council of the Town of Greybull recognizes that Wyo-Ben serves global industries, including oil and gas, water well drilling, environmental construction, hazardous wastewater treatment, cat litter, cosmetics, pharmaceuticals, and other industrial and consumer markets;

WHEREAS, the Council of the Town of Greybull recognizes Wyo-Ben as a manufacturing facility that customers rely on for premium-quality products, proven performance, excellent service, and knowledgeable application specialists, backed by decades of innovation and strong partnerships; and

WHEREAS, the Council of the Town of Greybull recognizes Wyo-Ben as a manufacturing facility that continues its 75-year legacy of helping customers operate with confidence.

WHEREAS, the Council of the Town of Greybull recognizes Wyo-Ben's mission to include being responsible stewards of the environment.

NOW, THEREFORE, dated this 9 day of March 2026, the Council of the Town of Greybull does hereby declare 2026 as a year of recognition for Wyo-Ben's 75 years as an innovative, environmentally responsible industry leader.
